### **Mexico Manufacturing Event Videos Available for Viewing on the Web**

TUCSON, AZ, December 17, 2009 -- Informative conference videos from two recent manufacturing in Mexico events hosted by The Offshore Group in Guaymas, Sonora, Mexico this past October are now available for viewing by interested parties.

From October 20th to 24th, the 15th Annual Manufacturing in Mexico Summit and the Aerospace Manufacturing in Mexico Conference were held at the San Carlos Plaza Hotel in the West Mexico state of Sonora, home of large general manufacturing and aerospace industry clusters.

A sampling of some of the topics addressed by expert speakers in the on-line accessible videos includes:

- New Legislative Initiatives and their effect on investments in Mexico
- Mexico and The United States: An Integrated Economic Relationship
- Mexico and the Global Aerospace Industry
- Globalization from the OEM's Perspective - Opportunities for Mexico?
- An Overview of Mexican Law
- Developing a supplier base in Mexico
